

# YAMPA RIVER BOTANIC PARK

*A place of serenity, celebrating the trees, shrubs, plants, and birds, of the Yampa River Basin*

*P.O. Box 776269, Steamboat Springs, CO 80477 (970) 879-4300*

## **MEMORIAL & TRIBUTE GIVING OPPORTUNITIES**

The Park welcomes donations given as memorials or as tributes. A variety of options are available and special requests are welcomed. All additions to the Park must be approved by the Park's Design Committee.

Tree Sponsorships are suitable for donations up to the \$300 - \$750 range. Any tree in the Park not already sponsored can be selected. The tree sponsored will be identified by a small, inscribed tag attached to the tree itself.

We may add new gardens, mainly as we have staff has the time available to get the work done. Garden preparation takes a lot of work and is often quite costly. However, we can sometimes identify garden plantings as to the source of funding. This could be expected to run into \$1,500 to \$2,000 for a small garden.

A full garden sponsorship would require both the cost of the plantings and the ongoing maintenance of the garden. This could be done by a commitment to come to the Park and work on the garden and keep it in good condition. Alternatively, an annual payment of \$600 would provide for maintenance by Park staff or an endowment could be established to yield the annual maintenance charge.

We encourage annual commitments for garden maintenance that would be specified by a sign on the specific garden. This would cost \$600 for the average size garden and would be especially suitable for businesses wishing to indicate their support. Our Annuals Garden requires replanting each year with a typical cost of \$1,000 for the plants.

For further discussion and additional options please call Gayle Noonan, Park Supervisor, on her cell phone - 970-846-5172 during working hours.

*A partnership of private donors, public participation & the City of Steamboat Springs*
