

NOON WHISTLE

Did you know that our noon whistle was first located at the Steamboat Laundry – now Creekside Café – in the 1930's and the whistle actually ran off the laundry's steam vent?

The noon whistle we had until a couple of weeks ago was mounted in the '50s. We can resurrect our whistle with your contributions. No contribution is too small. If we raise the \$4000 necessary to resurrect the whistle, the City will continue to pay the operations and maintenance costs. You can vote with your contribution to:

- Clean and repair the old whistle and remount it on a new pole: or..
- Purchase a new whistle that mimics a steamboat whistle (additional costs)

And locate it at:

- The same location at 8th and Oak; or
- Howelsen Hill directed toward our downtown

Once again our community will be distinguished as one of the few in the nation that proudly continues the tradition of the noon whistle. Please make your contribution checks payable to MainStreet Steamboat Springs, Box 774611, Steamboat Springs, CO 80477 AND vote for your favorite whistle and location. For more information, contact Tracy Barnett at 970-846-1800

Special Thanks to the Community members who provided the Noon Whistle historic information: Bill Davis, Bob Struble, Mary Monger, Charlene Stees and Jim Stanko.

SAFETY FIRST IN STEAMBOAT

Tip of the Week: Take extra precaution with candles and other displays that place open fire in your home.

CONSTRUCTION DETOURS ON LINCOLN AVENUE

Construction work at Lincoln Avenue and 3rd Street is nearly complete for the season! The last phase of work for this season involves sidewalk replacement and general site cleanup along Lincoln Avenue. Both shoulders of Lincoln Avenue will be closed in order to complete the work.

All local businesses will remain open during construction. Two lanes of traffic in each direction will be maintained. On behalf of the City of Steamboat Springs and Calcon Constructors, thank you very much for your patience over the duration of this project!

For information contact:

Jeff Johnson, Project Manager, Calcon Constructors (303) 762-1554
