## CITY'S WEBSITE HAS BEEN EXPANDED!

The City of Steamboat Springs has expanded and improved its website to make it more user-friendly and to provide you with up to date happenings on the new [City News](http://www.steamboatsprings.net) page.

Due to budget constraints, the City of Steamboat Springs will continue to publish the City Page on a bi-weekly basis in the Steamboat Pilot/Today, but it will no longer be a full page. To continue to get the latest information, please go to

for all the up to date happenings. We will be updating this page on a daily basis or as articles are filed. You may also subscribe to receive the City's e-newsletter which will be a synopsis of the items published on City News and emailed to you the first day of each month.

We hope you will make this one of your "go-to" pages on the web and we invite your comments and suggestions as we continue to improve the way we bring you the City news.
