**City update on 2009 Paving Program**

Steamboat Springs, Colorado—The City of Steamboat Springs is continuing the 2009 Paving Program this week with the milling and paving of a section of Mt. Werner Circle tomorrow and milling and paving of a section of Après Ski Way on Wednesday, weather permitting.

The milling and paving of Whistler road started this morning, Monday, June 1, and will continue until June 10th. There may be minor traffic delays for general traffic, and all transit pickups are rerouted until the project is complete. **Please contact transit for more information on the affected bus routes at 879-3717.**

For any questions about the projects, please contact Doug Marsh at the Public Works Shop at 879-1807.
