*Parks and Recreation Commission Meeting:
Yampa River Monitoring, Education and Enforcement*

The City of Steamboat Springs Parks and Recreation Commission has scheduled a meeting to discuss the 2009 monitoring, education and enforcement efforts on the Yampa River on February 10, 2010. The meeting will be held at the Community Center at 1605 Lincoln Avenue at 5:30 pm.

In 2009, the Parks and Recreation Commission directed staff to work with volunteers to address concerns identified during public meetings. Trash in the river, illegal parking, alcohol consumption and user conflicts were all areas targeted for monitoring, education and enforcement. Updates will be provided by volunteers and City staff on efforts that occurred in 2009 with discussion to follow.
