The Steamboat Springs Police Department urges people to please be patient as we work through the Lincoln Avenue Construction project and to consider alternate routes in order to help ease Downtown traffic congestion. Please plan ahead and consider using River Road if your destination is on the South side of Lincoln Avenue; or Hilltop Parkway or Steamboat Boulevard, via Fish Creek Falls Road, if your destination is North of Lincoln Avenue or West of Downtown. Please be respectful of the neighborhoods by obeying all posted speed limits. The Police Department will be conducting extra patrols on these alternate routes to help insure the safety of motorist, bicyclist and pedestrians. The Steamboat Springs Police Department thanks you for your continued patience during the weeks ahead.
