 - Winter operations:
 - Haymaker dining closed immediately due to staff shortage up on the mountain
 - Start planning menus for the summer
 - March 6th was the last day for winter operations

 - Discussion of moving away from seasonal dining and more steady year-round operations
 - Likely to reevaluate this in the future

- Another person there year-round to assist Cody in programming, scheduling, events, recruiting, etc. and ideally run the simulator in the winter
 - Next steps:
 - a. Revise budget and verify numbers with finance
 - b. Would need to be approved by city council because it is not currently budgeted
 - c. Value the integrity of the budget process and the timing could affect this
