

## City Seeks Volunteers For 27<sup>th</sup> Annual Steamboat Pentathlon

**STEAMBOAT SPRINGS, COLORADO** – The City of Steamboat Springs Parks & Community Services Department is looking for volunteers to help with race-day logistics at the 27<sup>th</sup> Annual Steamboat Pentathlon on Saturday, March 3<sup>rd</sup> at Howelsen Hill.

“The Steamboat Pentathlon is going strong after 27 years because of our amazing volunteers,” said Marketing & Special Events Coordinator Emily Hines. “From course marshalling to helping with racer check-in, serving lunch or managing an aid station, we strive to provide a fun and involved experience for all of our volunteers, and the event would not be possible without their support”.

Each volunteer will receive a Steamboat Pentathlon race shirt, goodie bag, free lunch, and opportunities to win prizes and giveaways from event sponsors.

If you have questions, or you are interested in volunteering at this year’s race, please contact Emily Hines at 970-871-7031 or [ehines@steamboatsprings.net](mailto:ehines@steamboatsprings.net).
