

City Solicits Bids for Igloo Modular Building's Purchase, Removal and Relocation

1,560 Sq. Ft. Modular and Mechanical Buildings Available

STEAMBOAT SPRINGS, COLORADO-April 11, 2018-The City of Steamboat Springs is looking for a good home for the Igloo, a 1,560 square-foot, double-wide modular, as well as a 675 square-foot mechanical building.

"These buildings could be used for storage, a workshop, hunting camp, out building or other facility building on a property or could serve a variety of other uses for an organization," said Alan Lind, General Services Director. "There's still life in these buildings and the city would like to see they continue to provide use."

The purchase, removal and relocation of the two buildings are currently being solicited through Letters of Interest due April 19, 2018. The city desires for the structures to be removed from the property no later than May 25, 2018.

The Igloo structure is a dual axel, double-wide modular measuring 60'L x 26'W x 15'H (to peak) with an open floor plan that includes the existing commercial lighting and bathroom fixtures; appliances consisting of stove, dishwasher and refrigerator and is wired for a fire alarm system.

The building has wood siding and a pro-panel metal roof, set on cinder block piers and is supplied with public utilities such as natural gas, electricity, and municipal city and sewer service. Set on a foundation, the mechanical building is a wooden structure measuring 26' x 26' with a metal single shed roof rising measuring 10'H to 18'H.

Letters of Interest must be submitted by 5:00PM, April 19, 2018, to [Shelly St. Pierre](#), Senior Procurement Agent, City of Steamboat Springs, PO Box 775088, Steamboat Springs, CO 80477-5088, or to City Hall at 137 10th Street. Additional information on the Igloo Request for Letters of Interest can be found on the city's [website](#).
