

## Steamboat Springs Airport/Bob Adams Field (SBS)

### FLY-IN OFFICIAL RULES

September 19, 2021

1. The Fly-In will take place on September 19<sup>th</sup> from 7 am- 3pm.
2. Fuel prices (Jet A w/ prist \$3.00/gal and 100LL \$4.00/gal) will be good on September 18<sup>th</sup> and 19<sup>th</sup> from 7 am until the FBO closes at 5pm, but fuel orders need to be placed by 3pm on Sunday. Fuel orders must be made in person in the FBO and hangar owners must be present to open and close hangars for fueling.
3. FBO staff will not move any aircraft for fueling.
4. Discounted fuel prices are for aircraft only.
5. The Pilot in Command is responsible for calculating their own fuel order based upon weight and balance and density altitude.
6. EPA rules and Stormwater regulations are enforced at SBS. Pilots are responsible for any fuel that drains out of their aircraft onto the ramp.
7. Straight in approaches are discourage, full pattern is recommended.
8. Fly-in pilots will be marshalled by a FBO line person for parking.
9. Fly-in pilots need to have a FBO line person for engine start up.
10. All pilots will obey Airport federal and state rules and regulations.
11. Photographs and / or video taken during the fly-in event may be used by City of Steamboat Springs for: promotion, marketing, revenue generation, personal use, business use, public display, or any other legally permitted use.
12. These rules may be changed or modified at any time due to unforeseen circumstances at the discretion of the Airport Manager.
13. Pets are discouraged due to aircraft operations and noise. All dogs must be on a leash.
14. Have a good time, enjoy yourself, and be SAFE!!
