Electric Vehicles

Information sessions this fall!

MONDAY, SEPTEMBER 13TH
EV101

This session will give participants a better understanding of EV basics, including types of vehicles, charging, financial incentives, and EV resources. Join in person or virtually.

When: 6-7pm
Where: Centennial Hall - 124 10th Street
Live-stream: <https://us02web.zoom.us/j/87464111448>

MONDAY, OCTOBER 4TH
EV MODELS

This session will provide in depth information on the different types of Electric Vehicle models. Participants will learn about the makes and models of current Electric Vehicles on the market, as well as what's in development. Join in person or virtually.

When: 6-7pm
Where: Centennial Hall - 124 10th Street
Live-stream: <https://us02web.zoom.us/j/87464111448>

SATURDAY, OCTOBER 23RD
THE RIDE & DRIVE EVENT

This session provides an opportunity to experience Electric Vehicles from the inside! Advance sign-up is required. Please visit the City's website: steamboatsprings.net/EV for information on how to register. 15 minute drive sessions.

When: 10am-4pm
Where: Howelsen Rodeo Grounds Parking Lot

MONDAY, NOVEMBER 1ST
EV CHARGING 101

This session will provide information on how to charge, different types of EV chargers that are available, and charging times based on charging type. Join in person or virtually.

When: 6-7pm
Where: Centennial Hall - 124 10th Street
Live-stream: <https://us02web.zoom.us/j/87464111448>
