

Coffee with Cops Brews Up Fresh Edition for Spring

Starbucks Hosts Community Event on Wednesday, April 6

STEAMBOAT SPRINGS, COLORADO-March 30, 2022-The spring edition of Coffee with Cops is set for Wednesday, April 6, as the Steamboat Springs Police Department and Starbucks percolate a fresh version of this popular community tradition.

“The days are getting longer, and spring is in the air; however, we all still need that good cup of coffee to get these brisk mornings started off right,” said Police Chief Sherry Burlingame. “We couldn’t think of a better way to take on the day than spending it with residents of our city and getting to know each other better.”

Steamboat Springs Police Officers as well as Police Chief Burlingame and Commander Stabile will be on hand in the lobby for this full-strength edition from 8am to 10am at the Starbucks flagship location in Steamboat Springs (225 Anglers Drive).

Enjoy interacting with officers from the day shift while savoring a freshly brewed cup of coffee. Coffee with Cops is based on the police department’s daily briefing meetings, which allows face to face interaction, sharing information and checking in with each other in a compressed time frame.

The program is designed to allow open, two-way dialogue between the community and the police department and its officers. The event allows community members to ask questions and learn about the men and women who serve our community.

Most contact law enforcement experiences with the public occurs during emergencies, or emotional situations. As one can understand, those situations are not the most effective time or way to build relationships.
