STEAMBOAT SPRINGS, COLORADO-February 6, 2024-The City of Steamboat Springs Parks & Recreation Department will hold its second meeting for the steering committee working on the designs for the reimagined Bear River Bike & Skate Park on Tuesday, February 27.

The session will be held in the upstairs meeting room at the Howelsen Ice Arena (285 Howelsen Parkway) and broken into two phases specifically focusing on the bike park, then the skate park.
